

ACE CoEd Youth Soccer

Parent Handbook

Welcome to the Ace Youth Soccer sports league! We are dedicated to creating a positive and rewarding experience for both you and your child. Our program is founded on the belief that every participant is a winner, irrespective of skill level.

Therefore, all players will have equal opportunities to succeed and enjoy the game.

Our mission is to instill a sense of pride and confidence in every player by embodying the positive values of team sports.

We believe that sports offer more than just skill development; they provide a platform for character building. The core values we focus on include Respect, Honesty, Teamwork, Sportsmanship, Integrity, and FUN! With your help and support, we aim to achieve our mission.

As parents, you play a crucial role as participants, supporting your child's interests and providing encouragement. We encourage open discussions about values and issues related to your child's participation in the sports league. Our coaches are committed to fostering a cooperative, learning, and enjoyable environment for your child. We hope you have a wonderful experience with Ace Youth Soccer!

I would like to personally reassure you that this is your program; therefore I gratefully accept any comments or suggestions. Let us work together to make this a great season.

In our league every player is a winner! Learning and having fun in a sport are the most important. Our ACEYS Instructors introduce skills in a basic, fun and progressive manner with much repetition and positive reinforcement.
